The 34th GOURMET & DINING STYLE SHOW® Autumn 2023

There were 277 companies, including a company from Thailand, at the GDS Autumn 2023. The number of visitors was 27,574 during three days, which represents a 110.37% year-on-year increase compared to GDS Autumn 2022. This indicates that potential exhibitors and buyers are showing greater interest in GDS. There were five exhibition categories: Premium Food, Stylish Food, Solution Food, Craft Drink & Liquor, and Party Food. Many business meetings were observed in all categories.

▲ Food Innovis Co., Ltd. caught visitors attentions and introduced their products at their booth.

◆Kitchen Stage

The Kitchen Stage is one of the most popular events at GDS. Exhibitors have the opportunity to showcase and explain the features of their products on the stage, encouraging the audience to visit their booths for more information. In the previous stage, Ms. Minako Ito from Luce Co., Ltd. introduced Limoncello, an Italian lemon liqueur. We also welcomed members from the Shizuoka Industrial Foundation who conducted a seminar about local specialties from Shizuoka prefecture. You can promote your products to audiences from all over Japan and around the world at the Kitchen Stage.
